Showcase -

Our annual performance will be held early December we have tentatively booked 7th December in Jindabyne for parents, family, friends and the community.

It will be a Performing Arts based production highlighting all genres. This is the highlight of our year with a chance for your children to showcase their talents in some amazing performances and to have some FUN.

To perform on stage takes courage and confidence. We strongly encourage students to take part in this aspect of dance and showcase their talent. It is also a great team bonding experience. We are aiming for an even bigger and better showcase in 2024 with something special in mind.

A photo day & separate dress rehearsal will be held prior to concert that all students will be expected to attend.

We will advise of the exact dates earlier in the year, so that you can put these in your calendar.

Concert fees are kept to a minimal and cover costume hire, production costs and additional classes for the show etc.

An additional costume rental charge of \$38 dollars will be added to the term fees in terms 3 and 4 (\$19 each term) per class.

This is non-refundable should your child not attend the concert, as preparation for this event starts early in the year.

Please advise as soon as possible if you child will not be participating.

Additional cheer performances will be held for the community throughout the year. Information about these performances will be sent out accordingly.

Enrolment forms below for 2024 must be completed and returned by 27th January. Please keep in mind classes will have limited capacity. To secure your spot please sign and return the enrolment and waiver forms as soon as possible.

Please give your child the best chance by supporting and encouraging them to attend all enrolled classes.

There will be times they will find technique and moves difficult, however with practice they will be amazed at what they can achieve.

Improvement in Dance is only obtainable with regular class attendance.

Looking forward to having you all a part of the "Studio #22" family!
